

KILLED MAN IN SELF DEFENSE.

Tragedy Occurs in Parlor of Boarding House in Atlanta.

Atlanta, Nov. 28.—Dr. O. T. Kenyon, of Dawson, Ga., who shot and killed R. E. Dickerson at 135 Spring street Saturday night, was arraigned in the recorder's court this morning on the charge of discharging firearms in the city limits. No state case was made against Dr. Kenyon, the police believing from all the evidence that the killing was in self defense. The city case, it is said, was made merely to get the case on record and to have the facts brought out in court.

Dr. Kenyon was able to leave the Grady hospital Sunday, and walked about the street.

The shooting occurred in the front hall of Mrs. L. G. Weston's boarding house, and was the result of jealousy on the part of Dickerson, who became enraged because Dr. Kenyon had gone to the theater with Miss Florence Weston, the 15-year-old daughter of Mrs. Weston. Dickerson was in love with the young girl, and he had been denied the privilege of escorting her out at night. He upbraided Mrs. Weston for not letting him go with the girl to the theater when she had allowed Dr. Kenyon was a married man, and an intimate friend of the family, and that while it would be right for the girl to go with him, it would be wrong for her to go with young men.

VALUABLE SHIPMENT OF HORSES

Four Train Loads of Animals Valued

Over \$1,000,000 Arrive in Gotham.
New York, Nov. 28.—The Rancho del Paso stud, James B. Haggins, \$1,250,000 worth of thoroughbred broodmares yearlings, fillies and stallions, after a 4,000-mile journey in palace horse cars, with running water and gas illumination, yesterday unloaded at the foot of West Thirty-sixth street.

This shipment of horses, 524 head, is the largest ever made. The cost of transportation, exclusive of the equine commissary and the wages of the three-score of attendants, was \$48,000. The train crossed the continent in four sections, three sections arriving yesterday. The first section got away from Sacramento, Cal., at 12:30 o'clock in the morning of last Monday. It reached the metropolis at 10:30 p. m. Saturday. The other sections were run out six hours apart, but in the great distance the last section is behind having lost some time. It is due this afternoon.

Mr. Haggins, who was present at the unloading said the stock had arrived in splendid shape. The stud will be sold at auction.

PARALYSIS CURED BY PRAYER.

Alexander Dowie, Self-Styled Elijah II

Makes Interesting Statement.
New York, Nov. 28.—John Alexander Dowie, who styles himself Elijah the Second, has arrived from Mexico by steamer.

In reply to questions about a stroke of paralysis, which he suffered in Mexico, Dowie said:

"My whole left side was affected. I could not move my left arm, but for three days I prayed and on the third I was miraculously cured."

Regarding the proposed Zion colony in Mexico, he said:

"We have been in Mexico two months making much progress, but the project is still in its infancy. We were kindly received by President Diaz and we hope to secure a 2,000,000-acre grant in Tamaulipas for our new colony."

"Will the present Zion City be moved there?"

"That I will speak of later."

Senator Burton Found Guilty.

St. Louis, Nov. 28.—United States Senator J. Ralph Burton, of Kansas convicted in the federal circuit court of an indictment charging that he agreed to receive and did receive compensation for practicing as an attorney for a corporation before the post office department, will be called before Judge Vandeventer at 10 o'clock tomorrow morning to receive sentence. The maximum penalty for the offense is imprisonment for two years and a fine of \$10,000 on each of the six counts on which Senator Burton was found guilty. Senator Burton's attorney stated tonight that they would immediately ask for a new trial. It is practically certain that Judge Vandeventer will overrule the motion, and then a notice of appeal will be filed.

Conference Trials Ended.

Newman, Ga., Nov. 28.—Dr. H. S. Bradley, pastor of Trinity church of Atlanta, has been exonerated of the charge of heresy preferred against him and Dr. W. W. Wadsworth, pastor of the Hartwell church, charged with immoral conduct, was declared guilty of imprudence by the committee which investigated his case, and his suspension for one year was recommended to the conference. The reports of the committee in these cases were the chief matters of interest of the North Georgia conference of the Methodist Episcopal church, south, in session here.

Young Man Kills Uncle.

Richmond, Va., Nov. 28.—At a point about 7 miles from Luray, Lester Ruffner, as the result of a quarrel over joining dogs in a fox chase, though there had been bad blood between the two Ruffner families for years. The player went to Luray, got a shave and an oyster stew, and then gave himself

MAN CHARGED WITH CRIME.

Claimed He Killed Wife and Five Children—Declares He Is Innocent.

Independence, Iowa, Nov. 27.—Mrs. William McWilliams and her five children, ranging from 3 to 18 years in age, were slain at their farm home and the husband and father was arrested in Independence charged with killing the members of his family. He declares himself to be innocent. Each person had been killed with a hammer blow on the head. Mrs. McWilliams was atrociously beaten, and a few knife thrusts had been inflicted on the crushed body.

In the woman's rigid arms lay the corpse of the 3-year-old baby, its hood, coat and mittens on and a piece of buttered bread in one hand. The baby had been killed by one blow of a hammer on the head.

The other children lay about the house, dressed in working clothes.

It is thought that the mother and baby were killed first and that then the children had been called into the house, one at a time, and struck down with the hammer. There was little evidence of a struggle.

CONVICTS KILL TWO OFFICERS.

Use Pistols and Nitroglycerin in Trying to Escape.

Jefferson City, Mo., Nov. 27.—In a desperate attempt to escape from the state penitentiary here, five state convicts fought for freedom with weapons and nitroglycerin at the prison gate, killing two prison officers and wounding Deputy Warden See, and four men made a dash through the streets of Jefferson City under fire, only to be captured after two of the escaped men had been wounded.

Five prisoners, taking advantage of the absence of Warden Hall and six guards, who left today with 71 federal prisoners for Fort Leavenworth, Kans., attempted to escape, but only four left the prison after wrecking the gate.

Convicts Harry Vaughan, Charles Raymond, Hiram Blake, George Ryan and Eli Zeigler, who were working close inside the prison gate, having secured pistols and a bottle of nitroglycerin, entered Deputy Warden R. E. See's office and shot him in the arm and the hip as he sat in a chair.

Georgia Leads in Pension List.

Raleigh, N. C., Nov. 27.—State Auditor Dixon wrote to every auditor in the south as to amounts paid to confederate pensioners and the number of pensioners. Replies are as follows: Texas, \$500,000, 7,000 pensioners; Tennessee, \$275,000, 3,000 pensioners; Louisiana, \$15,000, 2,000 pensioners; Arkansas, \$203,000, 7,000 pensioners; Georgia, \$790,000, 16,000 pensioners; Florida, \$288,000, 2,000 pensioners; South Carolina, \$656,000, 15,000 pensioners; Mississippi, \$250,000, 7,000 pensioners; Virginia, \$300,000, 11,000 pensioners; North Carolina's appropriation is \$275,000 to 14,000 pensioners. Auditor Dixon said: "In proportion to number of pensioners, North Carolina pays less than any other of the state."

Excitement at Church Conference.

Hawkinsville, Ga., Nov. 27.—Rev. J. H. Mather, pastor of the First Methodist church here, was called a liar by E. D. Richardson, formerly a steward in the same church. The affair caused quite a sensation, occurring as it did during the session of the quarterly conference. Rev. G. B. Johnston, presiding elder of the South Macon district, was in the chair during the time E. D. Richardson, a steward, called Rev. J. H. Mather a liar. The affair was caused by the dropping of the name of Mr. Richardson from the roll of stewards of the church.

Inauguration Cost \$145,491.

Washington, Nov. 27.—To inaugurate Theodore Roosevelt president of the United States last March cost \$145,491, a greater sum than was ever spent for any previous inauguration. The details of this cost were made public in a report by General John M. Wilson, the chairman of the inaugural committee. Notwithstanding the large expense, the committee has turned over a balance of \$4,730 to the auditorium association, an organization formed to erect a building in which to hold future inaugural balls.
